Dear Michael:

"It feels like home.. it's beautiful, it makes me happy." Those are just a few of the comments made by our residents about our newly renovated space at The Bonnie Center. So many changes were made in such a short time! The freshly painted walls are lovely, the decor is top notch and the finishing touches like artwork and window coverings have made such an improvement in our Maternity Residence. We really appreciate all of the donated paint as well as supplies you provided for this wonderful make-over. Thank you so much for the time and effort you shared to help moms and babies at Alpha House.

We know you join us in celebrating the successes of the moms and babies served by Alpha House. Please let us know any time you would like additional information about our programs and services, or if you would consider attending one of our Lunch and Learns to hear our stories of success. *If you have been on a tour, please consider inviting a friend and joining them at one of our upcoming lunches.* Our next tours are scheduled for July 22, August 12th and August 26th. Let us know if you would like to attend one of these events.

On behalf of Alpha House moms and babies, the board of directors and staff, thank you again for your part in the "A wing and a chair" renovation project.

Sincerely,

Barbara McCormick, LCSW
Interim Executive Director
